Directs Chamber Activities

Joseph Territo Named President Of R.C. Chamber

Joseph R. Territo, proprietor of Territo's Super Market and an active chamber of commerce worker for the seven years he has been in business here, today headed the Redwood City Chamber of Commerce as president, as a result of his election by the new board of directors Tuesday afternoon at its organization meeting.

Elected vice presiednt was William M. (Bill) Werder. J. A. Buhler was elected treasurer.

Territo succeeds Duncan Reynard, who served as president during the past year.

Other directors, and length of terms they will serve, as the result of a drawing, are R. H. Davies, W. D. Ryan and Harold F. Anderson, two years, and Carl E. Ward, James D. Hedge and Sam H. Winklebleck, one year.

Roscoe D. Wyatt was re-elected secretary-manager for another year.

Named to head the merchants committee for another year was W. D. Ryan, while Henry Witte was appointed as chairman of the highway committee.

Included in business handled at the session was the arriving at a decision to have Secretary Wyatt communicate with city councils and chambers of commerce of affected cities and the county supervisors asking them to adopt new resolutions urging the county's representatives in the state legislature to do all possible to secure an appropriation in the new highway budget to provide for the widening of El Camino Real between Redwood City and Palo Alto.

Movement to have the state take over the Berry Creek addition to Big Basin, urged by the Santa Cruz chamber, was indorsed.

Vice President Werder was appointed chairman of a committee to investigate the possibility of establishing a civic hospitalization plan, after a suggestion was presented urging the city to try to work out some arrangement with the city of Palo Alto. Anderson, Winklebleck and Ryan also were named to the committee.

Palo Alto operates its publicly-owned hospital at a yearly profit, but conducts an insurance plan for all citizens that is taken care of under the regular budget. Citizens are given a certain period of hospitalization free each year if they become ill or are injured, it was reported.

Inducement For Builders

Whether lots acquired by the City of Redwood City through delinquent taxes would be offered to prospective purchasers at a lower price, contingent upon the purchaser building upon the lot within a "reasonable period of time" was a major item of discussion of the city council Monday night.

After adopting a resolution fixing date of sales of the 54 quit claim deeds to lots as Feb. 14 at 10 a.m., the matter of the legality of price reductions to prospective purchasers occupied the councilmen's attention.

City Atty. Albert Mansfield pointed out that a municipality cannot give away money to individuals, but stated that some "consideration or financial grant might be made to purchasers of these lots."

$25 REBATE PROPOSED

Councilman Paul A. McCarthy reminded his colleagues of an earlier suggestion of his which called for a refund of 10 per cent, with a minimum of $25, per unit of purchase provided the building would be started within three months after purchase of the lot and the building completed four months after the building permit had been issued.

The councilmen agreed to McCarthy's proposal in so far as feasible and not irregular for "the people's welfare" and to relieve the city of the lots.

Adoption of a uniform building code for contractors was deferred until the first meeting of the council in February, after a member of the audience urged the council "to give the people a chance to learn what it's about." Interested parties may find the state building contractor code books in the office of the city clerk.

A resolution accepting an annual assessment increase of from $175 to $225 by the California League of Municipalities was adopted. It was explained by councilmen that the increase was general among the member cities.

SIGN ORDINANCE DELAYED

Again the much -discussed ordinance providing strict regulation of the real estate signs was reintroduced by the council after several technical changes had been made by City Attorney Mansfield. It will be up for adoption at the next meeting.

Suggestion for beautifying the portion of Redwood Creek running from Middlefield Rd. behind the site of the civic center now being constructed made at the last meeting was re-opened. City Manager Dimmitt estimated the total probable cost of such a project would amount to approximately $70,000 to both city and property owners affected.

At his own request the matter was turned over to Frederick J. Furnivall, who will take up the matter with the East Redwood Improvement Club for investigation.

A resolution calling for the widening of Jefferson Ave. between Broadway and Middlefield Rd. and the installation of electroliers on this avenue to be considered in the next fiscal budget was adopted.

SAN FRANCISCO IN THE GAY 90'S

Early San Francisco comes to life again in "The Sisters" starring Errol Flynn and Bette Davis heading a three unit program at the Redwood Theater starting Sunday. Unit No. 2 is "Freshman Year," with Dixie Dunbar and Constance Moore. Unit No. 3 is a Walt Disney color cartoon "Ferdinand the Bull."

Pointers Given In Bank Pamphlet On Home Building

A highly valuable booklet entitled, "Things to Know About Buying or Building a Home," just issued by American Trust Company, is now available, without cost, to the interested public, by application at any of the bank's many Northern California offices.

The publication deals frankly with the "don'ts" as wel las the "do's" of home acquisition.

It carries the prospective home owner from the first consideration of how much he can afford to invest, through the selection of the site to the final completion of the dwelling.

According to its preface, the booklet is not intended by American Trust Company as an "Encyclopedia of Home Ownership — for such a work could easily fill many weighty volumes." However, a listing of some of the subjects discussed indicates its comprehensiveness. Included are architectural styles, room sizess and arrangement, windows, chimneys, fireplaces, stairs, patios, building materials and construction methods, heating, insulation, air conditioning, escrows, insurance, financing, etc.

An unusual feature of the booklet is a check-list covering many of the factors which should be watched in order to insure the success of a home ownership project . . . a feature that will enable even an inexperienced family to follow through home plans in an orderly, systematic fashion, without overlooking any of the important details.

One of the earliest printed picture books is the "Pictured World" by John Amos Comenius, issued in 1657.

Half Century Of Humor Due

"Fifty Years of Humor" will be the theme of Sequoia High School's 1939 Varieties show, which will be presented Feb. 11.

Some 50 acrobats, dancers, musicians, actors this week begin rehearsals for the production, which will be under the direction of Misses Phebe Ward and Maribel Shimmen.

Purpose of the show is to demonstrate the difference in the old fashioned and modern methods of entertainment. The show will be divided into three parts: Pages from the Family Album (1890-1910); Vaudeville (1910-1930), and Radio (1930-1940).

Max Gelber, instructor in music at Sequoia, and Mrs. Gelber will attend a band and orchestra clinic at San Jose State College Saturday. The couple attended the Oakland School Symphony Orchestra concert in Oakland last night.

Dr. Gertrude Laws, chief of the bureau of parent education of the State Department of Education, will speak on the "Home and Family Problems" to Ronald Anderson's Social Problems class next Monday.

Principal A. C. Argo, Miss Doris Dean, head of the girls' physical education department, and Counsellors James M. Eva and Harvey Hall are in Los Angeles to represent Sequoia High School at a series of meetings this week on co-operative high school education.

The State Committee on Co-operative Schools, of which Argo is a member, is holding its first session today, studying and revising curricula in the 13 co-operative schools in the state.

On Wednesday, representatives of the co-operative schools in this district, which include two in Oakland and Yuba City High School besides Sequoia, will meet separately. All four from Sequoia are members of the district committee.

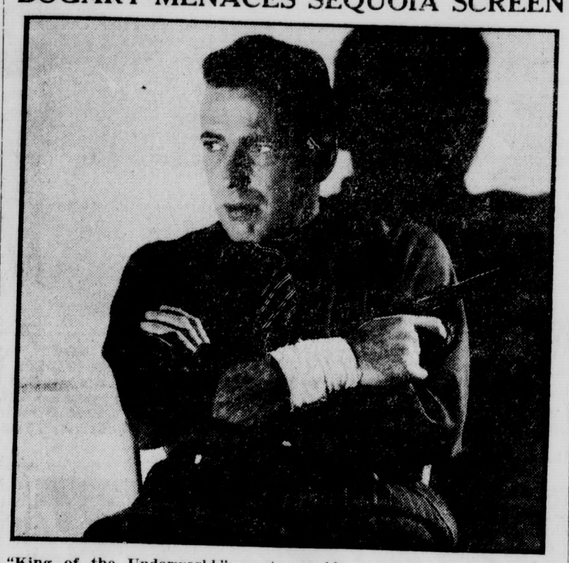
Argo will preside as chairman at a meeting of the core-curriculum committee of the Association of California Secondary School Principals, also working in conjunction with the state committee.

Classes in flower arrangements, sewing and citizenship will be added to the Redwood City Night School curricula late this month and early in February. The flower arrangement course, to be taught by Miss Carma White, will begin Jan 31. Sewing and citizenship classes will start Feb. 7, the latter to be held at Menlo Park Grammar School on Monday and Wednesday evenings. Interested persons are asked to contact Night School Principal S. S. Mayo.

Mayo reported an enrollment of about 700.

Tea plantations in the Soviet Union aggregate more than 104-000 acres. It is planned to increase this to more than 125,000 acres in the next four years.

BOGART MENACES SEQUOIA SCREEN



"King of the Underworld," most capably enacted by the screen's No. 1 menace, Humphrey Bogart, will share honors with the finest comedy hit in months, "Thanks for Everything," starring Adolphe Menjou, Jack Haley and Jack Oakie, on the Fox Sequoia Theater screen this Sunday, Monday, and Tuesday. The latest March of Time, entitled "Refugees, Today and Tomorrow," will be an important highlight

Silos, now used all over the country, were first tried out experimentally in Wisconsin and New York about 60 years ago.

Forty American police officers were killed by criminals in 1937.

MENLO PARK NEWS NOTES

THOMAS MALONEY ILL

MENLO PARK, Jan. 20—Thomas Maloney, who retired from his position as a sergeant with the San Francisco Police Department recently, is very ill at St. Mary's Hospital in San Francisco. His many friends are alarmed at his condition. He had intended to spend the remainder of his life at his Summer home near Coon's Bridge, Santa Cruz Ave.

A surprise party was given Mr. and Mrs. Frank Maloney Sunday at their new home in Stanford Park. The housewarming was attended by 30 friends from Palo Alto and Menlo Park, who enjoyed the occasion at the cozy home designed by Mrs. Maloney, the former Miss Ursula Wilson, a belle of the college city and a graduate of San Mateo Junior College.

George Nunn, well-known Menlo Park pioneer and one of the city's substantial citizens, is confined to his apartment on the highway with a severe illness. His many friends hope he will soon be out to greet them.

Peter Walsh, who suffered painful injuries in an accident at Stanford last week, where he has been employed for several years, is reported recovering. Walsh was caught between a truck and an automobile and severely crushed. It was at first thought he might have suffered permanent injuries, but late word from his bedside in a Palo Alto hospital indicates that he will regain his strength and the use of his limbs. He is a splendid young man and his recovery will be good news to his many friends.

The Oak Grove Villa, unoccupied for some time, has been opened by the son-in-law of the owner, J. Bertolucci of Redwood City. The new proprietor is to renovate and improve the well known hostel.

The vast number of robins and larger flocks of wild pigeons that have reached here recently from the north is the Indian sign of a very wet winter. Farmers beware.

The appointment of Martin I. Welsh, superior judge of Sacramento, by President Roosevelt to a federal judgeship in Northern California is a good one, a splendid recognition of merit, honesty and capability. Judge Welsh has filled many positions of honor at the capital since he went there as a young man many years ago. He started his career as a youngster at San Jose, where, after leaving school, he learned the plumbers' trade. He studied law during his leisure time and was admitted to the bar. Shortly afterwards he opened an office at Sacramento and at once established a reputation for honesty and ability. Mr. Welsh's career is like that of many other American boys who began life with meager opportunities, but by hard work, energy and firmness have achieved greatness and the applause of men.

A son was born to Mr. and Mrs. Stendell in a San Francisco hospital Wednesday morning. The mother is the former pretty Fanita Jacobsen, formerly of Menlo Park.

Frederick W. Rourke, who was quite ill the first part of the week, is recovering. He is a veteran of the World War and saw service as a captain overseas. Rourke was at one time a political leader in New York, where he played a part in shaping the destinies of a number of aspiring young men who became national figures.

Following is a list of officers installed at joint Legion ceremonies at Central School Auditorium Thursday night:

Barbara Blanchard, president; Edith Ellis, vice-president; Mary McCleary, secretary-treasurer; Emma Lindquist, sergeant-at-arms; Betty Ellis, marshal; Doris Syverson, chaplain. Sons of the Legion: John Cook, captain; Howard Underhill, first lieutenant; Milton Johnson, second lieutenant; Winfield Whitney, adjutant; Robert Whitney, finance; Paul Ellis, chaplain; Billy Lundquist, sergeant-at-arms.

Among the distinguished guests present were Dept. A. L. A. Pres. Mrs. Chess; 26th Dist. Pres. Mary Hayes; 26th Dist. Past Pres. Jessie Zaunt; 26th Dist. Junior Chairman Mrs. Karns; 13th Dist. Pres. Mrs. Lille Brannerman; 26th Dist. Past Comm. Clarence Whitney; Chef du Train Joseph Madden; Richard Crane of Daly City; 26th Dist. Comm. George Mann; Chaplain Danny Dinnenn; Past Dept. D.A.V. Comm. T. Louis Chess.

Isabelle Weeden Lundquist, who wrote the theme song which she sings for the Rebekah installations, was installed as vice grand of Palo Alto Rebekah Lodge Wednesday night.

Menlo Park was well represented at the Americanism program in Redwood City Sunday.

Electroliers Urged Around Courthouse

In a recommendation passed unanimously by Redwood City's planning commission at a brief session Monday night, the county board of supervisors is asked to erect electroliers around the block on which is located the county courthouse and the new annex, now under construction.

Chairman Henry Witte, in proposing the recommendation, explained that the one block was dark while the remainder of the city's downtown area was lighted. He said the county, as owner of the property, should erect the light standards, and the city likely would supply the power, as it does with other street lights.

The planners approved the reduced setback line on Hopkins Ave. between Arch and Birch Sts. when no protests were heard. The new setback is 20 feet.

Gain Made Against Tuberculosis, Syphilis

California made greater progress in stamping out syphilis in 1938 than in any previous year, Dr. W. M. Dickie, director, State Department of Public Health, said.

He predicted even more marked success for 1939 if local communities increase budgets in co-operation with the state and federal programs.

Stating that tuberculosis and syphilis are in many ways comparable menaces to the public health, Dr. Dickie said that the same community participation which has been successful in the fight against tuberculosis is necessary to bring syphilis under control.

Total number of cases of syphilis reported last year was 23,313 as compared with 17,282 in 1937. Total number of tuberculosis cases in 1938 was 7690.

In San Mateo County there were 176 cases of syphilis and 63 cases of tuberculosis reported last year.

The latest figures available, 1935, show that United States' cattle population is around 68,000,000 head.

1939 Appliance Display Planned At Hull Brothers

It's "Open House" this week at Hull Brothers, local General Electric dealer, who, starting today and for two weeks, will have on display a complete new line of 1939 models of General Electric appliances. These appliances are part of a special trainload shipment that has just arrived from the factory, rushed here for early public showing.

The major item in this display is the line of new 1939 Triple Thrift refrigerators, beautifully styled, newly designed and containing numerous new convenience features that will delight any housewife.

New electric ranges with many added features, new washing and ironing machines and a brand new line of radio sets will also be on display.

Manager J. F. Biane invites the public to visit his store this week and next to inspect all these new General Electric appliances with their many new features.

Committee To Study Aid Station Proposal

County Executive Frederick Peterson today announced personnel of the San Mateo County committee to study the proposal of Col. Robert A. Roos of Hillsborough for a 24-hour ambulance service, first aid unit and highway patrol branch at Mills Field. The San Mateo County group will meet with a similar committee from San Francisco, Peterson explained.

The commmittee: H. H. Smith, chairman, board of supervisors; Dist. Atty. Gilbert D. Ferrell; Dr. Charles C. Gans, director of health and welfare; Mrs. Bessie B. Hayes, executive secretary, San Mateo County Traffic Safety Commission; Jack Hardiman, acting chairman of the commission; M. A. Grant, county engineer, and Peterson.

The executive sent the committee list to Dr. J. C. Geiger, San Francisco health chief, who is expected to call the first meeting.

Dr. Geiger said the San Francisco personnel would include Dr. Rhodes of the public health department; Dr. G. H. Taubles of the Red Cross; James O'Dea, chief emergency hospital steward, and representatives of the public utilities commission, city attorney, State Highway Commission and State Highway Patrol.

Tire, Supply Firm Opens Branch Here

Opening of the third store of the Willard A. Hill Organization in Redwood City at 730 Jefferson Ave. was announced today.

The Hill firm, tire and auto accessory dealer, has another branch in San Francisco and one in Sacramento.

In charge at the Redwood City store will be Charles Wolverton, former operator of service stations in Palo Alto. He will be assisted by Ray Smith of East Palo Alto as salesman.

Harold G. Fechter, of 526 Grand St., Redwood City, for the past nine years connected with the Bissell Tire and Battery Service, will operate a repair shop in the building, which is located just off Broadway.

The Hill organization will handle all types of tires, tubes, batteries, oils and automotive services, and will specialize in retreads, according to Manager Wolverton.

Peterson Seeks To Interest State In Butano Forest

County Executive Frederick Peterson has moved to induce the state government to enlarge the 6000-acre Loma Prieta state park project to include the 3120-acre Butano forest purchase from Stanford University.

In a letter to State Sen. Harry L. Parkman, the executive said:

"In San Jose the other evening Senators Holohan, Tickle, and several members of the assembly attended a meeting with reference to the state purchase of 6000 acres in the Santa Cruz Mountains as a state forest.

"I am informed that one of the senators will introduce a bill in the legislature to this effect.

"At the present time we are having considerable controversy in San Mateo County over the purchase of a portion of the Butano as a county park at a cost of some $300,000. The taxpayers are opposed to this as a purely county proposition. While they would like to see this beautiful area preserved, they do not feel the entire burden should fall upon this county.

"It has occurred to me that you and the other legislators might get together on this measure to include the purchase of the Butano area. At the present time we do not have a state park, while our neighbors to the south have several."

Sheriff Posse Being Formed

Sheriff James J. McGrath will institute the recently formed San Mateo County Cheriff's Posse next Sunday when he administers the oath and pins deputy sheriff badges on the officers and members of the troop at the Livestock Pavilion, in Visitacion Valley.

Headed by Mayor Jack P. Lawson of Bayshore City as captain, the troop of 30 is composed of men who are practical horsemen, most of the posse being skilled ropers and experts with sidearms and rifles.

The posse will have the sheriff as guest at a luncheon in his honor preceeding the actual induction ceremonies which will take place at 1:30 p.m. A short program will follow which includes riding and roping exhibitions by members of the posse and mounted drill by the entire troop.

According to Captain Lawson, the troop will be available for service at all times and should prove a valuable addition to the sheriff's forces especially in woods or hilly country where mounted men will be invaluable. The posse is a working posse mounted and equipped for hard service and will be on call at all times.

Besides Captain Lawson officers and members include Second Capt. Frank J. Ratto, First Lieut. Robert E. Lee, Second Lieut. Edward J. Allen and Troopers Donald Cooper, Jack J. McWilliams, Amos A. McWilliams, Richard D. Clark, Otto Hansen, Angelo Scafani, Patrick Scafani, M. Peterson, Brandy Cunningham, Ralph Waterman, F. Chisum, John Wimbly, William Enright, Dennis Nolan, Frederick Hobbs, Erric Thyssen, David Ferrari, Victor T. Rossi, Elmer Scott and Earl Williamson. Fred A. Parr, C. A. Sooy, Judge Maxwell McNutt and George H. Allen are honorary members.

Accident Hurts Prove Fatal To San Franciscan

Head and chest injuries incurred in a Friday the 13th accident in Burlingame proved fatal Monday to Peter Ingrevelo, 50, San Francisco.

Attendants at Mills Memorial Hospital, in reporting the death of Mr. Ingrevelo, said his companion in the car at the time of the wreck, B. Barchalnbo, 59, was in critical condition. Barchalnbo faces paralysis in event he lives, attendants said. He suffered a severe head injury.

Mr. Ingrevelo was riding with Barchalnbo in a car driven by Mike Vacco, 43, when the automobile skidded and upset on Bayshore Hwy. in Burlingame. Vacco was only slightly hurt.

In week-end accidents in San Mateo County, less than a score of persons were injured, none seriously, hospital records showed.

KIWANIS FOUNDING FETED

Kiwanis Club members this week are celebrating the 24th anniversary of the founding of Kiwanis International, according to James P. Hagan, president of the Redwood City organization. The first Kiwanis Club was organized in Detroit in 1915. Today there are 1992 clubs in the United States and Canada.

The United States' horse population in 1935 amounted to 11,858,000 animals.

Division of Bayshore Asked by Realty Men

SAN MATEO, Jan. 17 — Reconstruction of Bayshore Hwy. into a divided thoroughfare was asked in a resolution adopted unanimously last night by the Burlingame-San Mateo Real Estate Board.

The organization went on record opposing the plan to construct a first aid hospital at Mills Field as an attempt by the City of San Francisco to foist onto San Mateo County the job of maintaining a hospital for the San Francisco Airport.

Copies of the board's resolution on the highway will be sent to this county's representatives in the state legislature.

Edith Sophia Isaac Is Taken by Death

Edith Sophia Isaac, a resident of Redwood City for 42 years, passed away on Monday at her home at 165 Arch St., after an illness of four weeks and a period of declining health. She was 71 years of age.

Mrs. Isaac, the mother of John Isaac, of the same address, was the widow of John Isaac, who died here in November, 1915. A brother, Charles Penman, and a sister, Mrs. Julia Gill, both of Roseville, survive.

Iowa, in 1935, had the greatest number of horses, with 902,000. Minnesota and Illinois were tied for second with 746,000 each.

25,000th Coast-to-Coast Flight . Sets International Air Record

A world's long distance airline record has just been established by United Air Lines, which completed its 25,000th coast-to-coast flight over the New York-Chicago-Pacific Coast airway, equivalent to 66,000,000 air miles.

Above is depicted the plane which flew the first of the cross-continent flights in 1927. This single-engined two-passenger mail plane, now on permanent exhibit at the Edison Institute, Dearborn, Michigan, required 33 hours to make the nation's first commercially scheduled coast-to-coast flight with passengers and mail.

Below is a Douglas twin-engined 12-ton Mainliner which completed the 25,000th flight, carrying 14 passengers and a ton of mail and express cargo from California to New York in 16 hours.

Court Annex Delay Is Seen

Formation of two new police districts and annexation of three areas to the Menlo Park Lighting District were on the doubtful list today following Tuesday's five-hour session of the board of supervisors.

Assessor Daniel P. Flynn informed the board that unless the districts could be organized or the areas annexed by Feb. 1, they could not be included on the assessment roll for the next fiscal year and they would have no tax income with which to operate.

The board voted to inform sponsors of each project, advising them they were at liberty to proceed but that they could not secure tax moneys for 1939-40.

Included were the Millbrae and Emerald Lakes police districts, and annexation of Newbridge Park, North Fair Oaks and Friendly Acres to the Menlo Park Lighting District. The Millbrae district hearing was continued to Feb. 21. The Emerald Lake petitioners, 83 in number, were to be informed of the financial problem by the district attorney's office.

Possibility that Redwood City's proposed celebration in May for joint dedication of the courthouse annex, city hall and city library, might lose the annex was seen when H. H. Larsen, contractor, asked for a 30-day extension. Larsen reported that plan changes, natural curing of cement, and maximum time requirements for removing shoring and bracing had delayed construction.

Meanwhile the board officially agreed to join the Redwood City celebration, authorizing the Native Sons of the Golden West to dedicate the new county structure. The celebration is planned for May 12-14.

Mrs. Cleo Phillips was formally appointed superintendent of the county relief home. Frank R. Fetter, Half Moon Bay, was named successor to Harry N. Clark, resigned, on the planning commission. Norman S. Menifee and Joseph Fitzpatrick were reappointed as county law library trustees, and H. C. Hall Jr. of San Bruno and R. C. Crane of Daly City were named to the county board of education.

The board granted Controller Thomas Kane $1500 for extra help to complete compiling important fiscal information. It continued for one week his report on amounts advanced to various county districts from unbudgeted reserve.

Request of the San Mateo County Employes Association for a $90 monthly contribution to its group insurance policy was granted pending an investigation by Executive Frederick Peterson.

Request of Joint Highway District 10 for $1605 for expenses was referred to Commissioner John A. Lynch for recommendation.

Lynch requested additional time to nominate a successor to Dr. Arthur H. Nobbs on the traffic safety commission.

On recommendation of Dr. H. W. S. Hayes, superintendent of the Community Hospital, the board addressed letters to Sen. Harry Parkman and Assemblyman Harrison W. Call protesting a proposed 50 per cent cut in the state's subsidy for tuberculosis patients. The doctor reported the proposed reduction would reduce the county budget for tuberculosis treatment by $2880, allowing insufficient funds for treatment of patients. He reported the cost for tuberculosis treatment is $168 daily, without extravagance.

Chairman H. H. Smith reported power lines on San Bruno Ave. between San Bruno and Bayshore Hwy. interfered with air navigation. The clerk was instructed to ask P. G. & E. if the lines could be placed underground.

The district attorney was authorized to settle a claim of the Cowell Estate for portions of the El Camino Real right-of-way for $2000.

The board renewed 55 soft drink licenses, granted 1 new one, and adjourned to next Tuesday at the request of School Supt. Pansy Jewett Abbott, who announced she would present a petition to divide the Brisbane and Visitacion School Districts at that time.

Johns-Manville Safety Program Cuts Accidents

Accident frequency in 14 factories and two mines operated by the Johns-Manville Products Corp., one of which is located here, were reduced 29 per cent last year from the previous six-year average.

Manager E. S. Hurrell of the local J-M factory said the intensive accident prevention program inaugurated by the company during 1938 has also resulted in a 40 per cent reduction from the company's accident frequency during 1937.

So successful has been the safety campaign in Johns-Manville factories and mines under the direction of Safety Engineer F. G. Lippert in safeguarding an average force of more than 7000 employes, Hurrell sad, that all plants and mines will participate in 1939 in an interplant safety competition.

The 1938 accident frequency figures released by Hurrell showed a 6 per cent decrease by the local J-M factories from the 1937 figures.

Council Asks Public Support

Praising the action as "excellent publicity for the City of Redwood City," the City Council, meeting in the courthouse Monday, unanimously gave its approval to the Redwood City Junior Chamber of Commerce's plan for a ferry boat excursion to the Golden Gate International Exposition early in May.

Councilman Evans A. Fletcher in moving the adoption of a resolution "supporting and encouraging" the move by the Junior Chamber of Commerce, said:

"I am of the opinion this excursion being planned by the junior chamber would be of great value to our city, and would in addition, provide some 1000 or more persons of this community a fine outing."

Declared Councilman Paul A. McCarthy, who seconded the move by Fletcher:

"There are a great many of us who failed to take that 'last ride' on the San Francisco ferries—and now it is too late to do so. It would give people in this community a final opportunity to take a boat ride on the bay, in addition to the publicity value of the stunt."

Mayor Louis C. Christensen and Manager C. L. Dimmitt also urged support of the community in the junior chamber's scheduled ferryboat excursion.

In a communication to the council by Junior Chamber Pres. F. E. O'Connell, it was stated that the cost of the excursion for each person would be approximately $1. Maximum accommodations on the chartered ferry will be 1500, the communication stated.

No. 8244

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

PROBATE

In the Matter of the Estate of ERNST ALFRED SODERLUND, also known as E. A. SODERLUND, Deceased.

NOTICE IS HEREBY GIVEN that Monday the 6th day of February, A. D. 1939, at 10 o'clock a.m. of that day, and the Court Room—Probate Department No. 2 of said Court, at the Courthouse in Redwood City, in the County of San Mateo, State of California, have been appointed as the time and place for proving the will of Ernst Alfred Soderlund, also known as E. A. Soderlund, deceased, and for hearing the application of Carolina Soderlund, the widow of said deceased for the issuance to her of Letters Testamentary thereon.

INCLUDED IN SAID PETITION is a petition praying that if the Court finds that the total value of the said estate, over and above all liens and encumbrances of record at the date of the death of said deceased, is less than Twenty-five Hundred Dollars ($2,500.00), the whole of said estate be set aside to the said Carolina Soderlund, the widow of said deceased.

La Vern Rice Regains Lead In Queen Race

Redwood City's queen contest began to get exciting this week.

Two more of the candidates for the honor of representing Redwood City at the Golden Gate International Exposition turned in their first votes and La Vern Rice recaptured the lead when she deposited 15,000 votes to make her total 30,000.

Depositing their initial votes were Mildred E. Nelson, 23,000, and Helen Faris, 14,000. Mary Rondon, who had taken the lead on Tuesday with 20,000 votes, added 3,000 to make her total 23,000.

With only three weeks to go, the contest is expected to get under way in earnest before this week is out, according to William M. Werder, chairman of the contest committee. The winner will be crowned at a citywide "one week to go" dance Feb. 11 in Foresters' Hall. Then on the following Saturday she will be sent to the fair to compete for queen of the exposition. She also will reign over the May 12-14 civic fete planned in Redwood City.

Votes for the queens may be obtained with purchases from 34 local merchants or by purchase of tickets for the Feb. 11 dance, which the contestants are selling.

SOUVENIR FAIR TICKETS

A souvenir badge and ticket entitling the holder to attend the two premiere days of the Golden Gate International Exposition Feb. 18 and 19 will be placed on sale in several days by the Redwood City Chamber of Commerce office and several leading stores, Chamber Secretary-Manager Roscoe Wyatt announced today. Price of the two-day ticket and badge will be $1.
